

Free to attend

# CoderDojo

Are you interested in creating apps for your phone or building your own website to show off your interests? Young people can learn to do all of this for free at CoderDojo! Dojos are fun spaces where children and teens can use their imagination and creativity to learn cool new skills, and make new friends.

**We are proud to run a Dojo at this location!**

**When we run**

Saturdays 1:00 to 2:30

Jan 11th / 25th  
Feb 1st

**Where we run**

LogMeIn  
320 Summer Street  
Boston, MA 02210

**What we cover**

Scratch (Beginners)  
C (Advanced)
